

PUREFREIGHT
YOUR GLOBAL VALET

THE FINE ART OF SHIPPING AND STORAGE

PureFreight takes immense pride in its role within the Fine Art and Furniture transportation industry, serving a discerning clientele in Los Angeles and beyond. Our extensive expertise shines brightly in domestic and international Air and Ocean freight transportation services, encompassing collection/delivery/LAX transfers, meticulous packing and custom crating, and expert installation of fine art, furniture, and decorative objects. Our clientele includes private collectors, top galleries, major auction houses, furniture showrooms, interior designers, and Trust & Estates advisors.

With a team boasting over a century of collective professional experience, we provide hands-on service from our initial point of contact to final delivery. All shipments are directed through the quickest, safest, and most cost-effective routes, prioritizing efficiency and service quality. PureFreight is committed to maintaining transparent communication at every stage of the journey, ensuring your confidence and our gratitude.
